Hi all –

Here is a fourth version with some of David's suggested edits incorporated. I made some edits to the third paragraph for factual accuracy. I've attached a clean and a track changes version, which shows the changes made the last version that Lily sent around. Please let me know what you think, and if you think this is ready to send to HQ for review. Lily, John, and Enrique are at the mayor's meeting.

Dear Brianna,

We are still waiting on David's comments, but John & I have to run to Mayor's mtg now, so I'll leave this in the hands of the rest of the group to finalize. In the mean time, I will bring hard copy to Enrique when he gets in from SFO.
